Pizza 46

WINS PUBLISHER'S FRONT PAGE AWARD 2014

LITTLE FALLS, NJ- There were a great many nominees who were voted on by our readers, clubs and organizations to receive *The Italian Voice* Publisher's Front Page Award 2014, in the category of Best Italian Pizzeria Restaurant.

However, the one name that stood head and shoulders above the rest for Authentic Italian Taste, Best Pizza, Chicken, Veal, Pasta, Eggplant, Soups, Wraps, Wings, Hot & Cold Appetizers, Family Dinner Favorites, Scrumptious Salads, and so much more, is Pizza 46, located at 1188 Route 46 West, in Little Falls, NJ.

In the time that Larry Coppa, the popular owner here, have served the people of this area he has, indeed, built up a reputation to be envied; not only from among his many regular satisfied customers who come here often with family and friends, but more importantly, he has earned the Admiration and Respect of his competitors as well.

With good reason. All of the food here is prepared in an immaculate, spotlessly clean kitchen, using only the purest, freshest, highest quality ingredients in closely guarded Old World Recipes that truly bring out the delicious flavors of the food.

In praising Pizza 46, the Executive Board of the Italian American Heritage Awards Society made particular mention of owner Larry Coppa's outstanding dedication to customer satisfaction and fair and reasonable prices

for such Premium Quality Italian Food.

In applauding his leadership example and wishing him every continued success in his already very distinguished career, the Awards Committee noted that: "We need Larry Coppa in our business community. He is important to us because he has honored our Italian American Heritage, Culture, and Traditions. We are privileged, indeed, to give Pizza46, our highest endorsements and recommendations."

Voted Best Pizzeria 2014
